

BUILT BETTER TO BUILD BETTER™

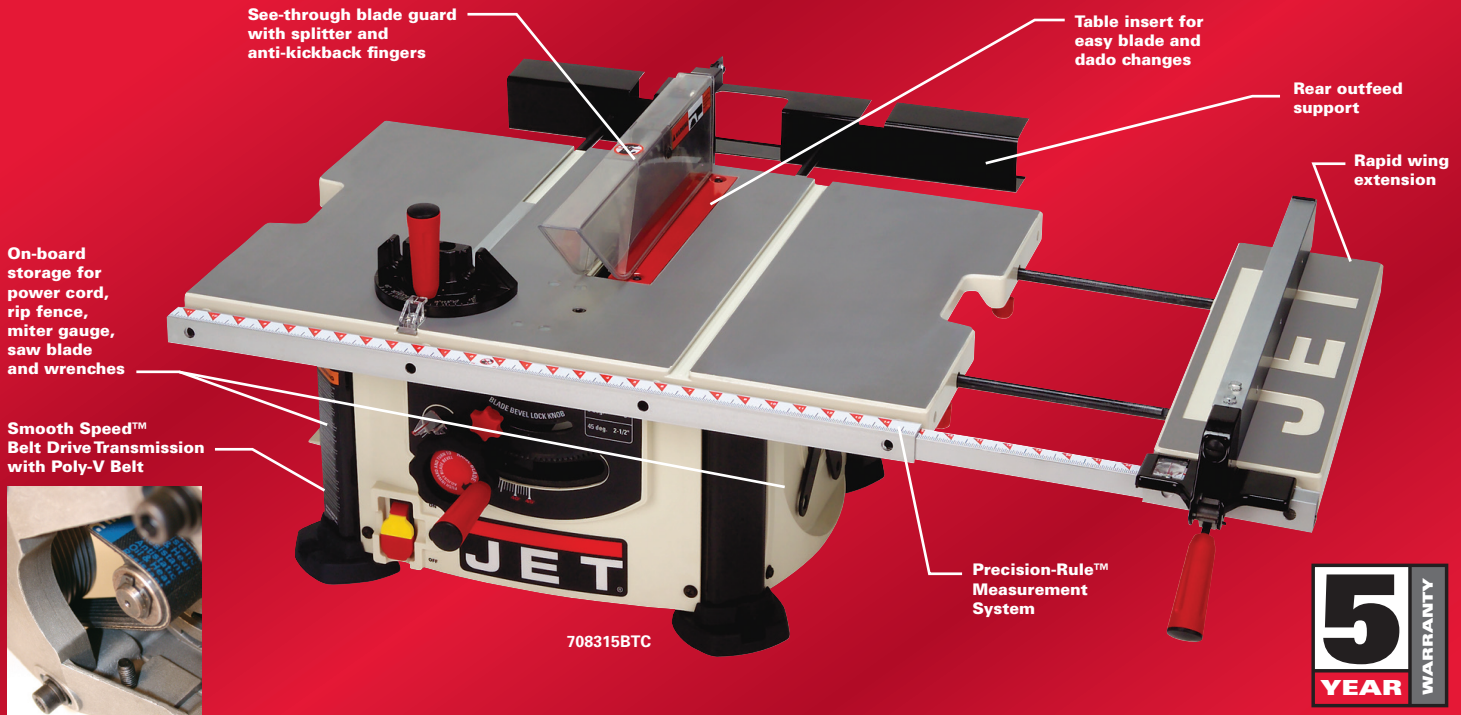

10" Bench Top Tablesaw

For a fast set-up and a quick cut, choose the new JET 10" Bench Top Tablesaw. Exclusive features include the Smooth Speed™ Belt Drive Transmission with Poly-V Belt, which eliminates vibration to the blade, and the Precision-Rule™ Measurement System for quick identification of cutting capacity. Keep wood supported through the cut by use of rapid extension wings and a rear outfeed support, standard on both models.

10" BENCH TOP TABLESAW

10" BENCH TOP TABLESAW

- **Exclusive Design**
Constructed with steel corner posts for the toughest applications
- **Smooth Speed™ Belt Drive Transmission with Poly-V belt**
Eliminates vibrations to the blade and extends life of motor, provides quieter operation and better transfer of power
- **Precision-Rule™ Measurement System**
Provides quick identification of cutting capacity up to 24-1/2" (when wing is fully extended)
- **Rapid Wing Extension**
Expands work surface up to 41" (with single extension) or 55" (with two extensions) for additional support
- **Leg Stand with Steel Storage Shelf**
Converts table saw from benchtop to stationary (standard with 708315LSB)
- **Precision Machined Miter Slots**
Provides direct control of miter gauge resulting in better cuts
- **Dust Collection Adaptor Port**
Connects either 2-1/2" shop vacuum or 4" dust collection system (standard with 708315LSB)
- **Dual Function Hand Wheel**
Raises and bevels blade for quick and accurate setup
- **Rear Outfeed Support**
Provides outfeed support and also converts to a left side extension
- **Contoured Side Handles**
Allows easy lifting and mobility of saw
- **On-Board Storage**
Convenient storage for power cord, rip fence, miter gauge, saw blade and wrenches

STOCK NUMBER	708315BTC	708315LSB
Model	JBTS-10BT-3	JBTS-10LS-2
Rapid Wing Extensions	1	2
